

Agricultural Marketing Service, USDA

§ 1220.622

An individual or authorized representative of a corporation who grows soybeans in more than one county would request a referendum in the county FSA office where the individual or corporation or other entity does most of its business.

§ 1220.620 Facilities.

Each county FSA office will provide:

(a) A polling place that is well known and readily accessible to producers in the county and that is equipped and arranged so that each person can complete and submit their request in secret without coercion, duress, or interference of any sort whatsoever, and

(b) A holding container of sufficient size so arranged that no request can be read or removed without breaking seals on the container.

§ 1220.621 Certification and request form.

Form LS-51-1 shall be used to request a referendum and certify producer eligibility. The form does not require a "yes" or "no" vote. Individual producers and representatives of other producer entities should read the form carefully. By completing and signing the form, the individual simultaneously certifies eligibility and requests that a referendum be conducted.

§ 1220.622 Certification and request procedures.

(a) To request that a referendum be conducted, each eligible producer shall, during the Request for Referendum period, be provided the opportunity to request a referendum during a specified period announced by the Secretary.

(1) Each eligible producer shall be required to complete form LS-51-1 in its entirety and sign it. The producer must legibly print his/her name and, if applicable, the producer entity represented, address, county, and telephone number. The producer must read the certification statement on form LS-51-1 and sign it certifying that:

(i) The person or the producer entity they represent was a producer of soybeans during the representative period;

(ii) The individual requesting a referendum on behalf of a corporation or other entity is authorized to do so; and

(iii) The individual has submitted only one request for a referendum unless they are also an authorized representative for another eligible corporation or other entity.

(2) The producer, corporation, or other entity must also provide documentation, such as a sales receipt, showing that the producer, corporation, or other entity has paid an assessment on soybeans during the representative period.

(3) Only a completed and signed form LS-51-1 accompanied by documentation showing that soybean assessments were paid during the representative period shall be considered a valid request for a referendum.

(b) To request a referendum, eligible producers may obtain form LS-51-1 in-person, by mail, or by facsimile during the request for referendum period from the county FSA office where FSA maintains and processes the producer's, corporation's, or other entity's administrative farm records. For the producer, corporation, or other entity not participating in FSA programs, the opportunity to request a referendum would be provided at the county FSA office serving the county where the producer, corporation, or other entity owns or rents land. Eligible producers may also obtain form LS-51-1 via the Internet at www.ams.usda.gov/lsg/mpb/rp-soy.htm. For those persons who chose to obtain form LS-51-1 via the Internet, the completed form and required documentation must be submitted to the county FSA office where FSA maintains and process the producer's, corporation's, or other entity's administrative farm records. For producer, corporation, or other entity not participating in FSA programs, the opportunity to request a referendum would be provided at the county FSA office serving the county where the producer, corporation, or other entity owns or rents land.

(c) Producers or producer entities may return form LS-51-1 and the accompanying documentation in-person, by mail, or facsimile to the appropriate county FSA office. Form LS-51-1 returned in-person or by facsimile, must be received in the appropriate county FSA office prior to the close of the

work day on the final day of the Request for Referendum period to be considered a valid request. Form LS-51-1 and the accompanying documentation returned by mail must be postmarked no later than midnight of the final day of the Request for Referendum period and must be received in the county FSA office prior to the start of canvassing Form LS 51-1.

(d) Producers who obtain form LS-51-1 in-person at the appropriate FSA county office may complete and return the form the same day, accompanied by documentation, such as a sales receipt, showing that soybean assessments were paid during the representative period.

§ 1220.623 Canvassing requests.

(a) Canvassing of Form LS-51-1 shall take place at the opening of county FSA offices on the 5th business day following the Request for Referendum period. Such canvassing, acting on behalf of the Administrator, AMS, shall be in the presence of at least two members of the county committee. If two or more of the counties have been combined and are served by one county office, the canvassing of the requests shall be conducted by at least one member of the county committee from each county served by the county office. The FSA State committee or the State Executive Director if authorized by the State Committee, may designate the County Executive Director (CED) and a county or State FSA office employee to canvass the requests and report the results instead of two members of the county committee when it is determined that the number of eligible voters is so limited that having two members of the county committee present for this function is impractical, and designate the CED and/or another county or State FSA office employee to canvass requests in any emergency situation precluding at least two members of the county committee from being present to carry out the functions required in this section.

(b) The request for referendum should be canvassed as follows:

(1) *Number of eligible requests for a referendum.* Each person who was a producer during the representative period and provides documentation to prove

that they paid an assessment will be considered eligible to request a referendum.

(2) *Number of ineligible requests for a referendum.* If FSA cannot determine that a producer is eligible based on the submitted documentation or if the producer fails to submit the required documentation, the producer shall be determined to be ineligible. FSA shall notify ineligible producers in writing as soon as practicable but no later than the 8th business day following the final day of the Request for Referendum period.

(c) *Appeal.* A person declared to be ineligible by FSA can appeal such decision and provide additional documentation to the FSA county office within 5 business days after the postmark date of the letter of notification of ineligibility. FSA will then make a final decision on the producer's eligibility and notify the producer of the decision.

(d) *Number of valid requests for referendum.* A person has been declared eligible and has provided and completed all of the required information on form LS-51-1.

(e) *Number of invalid requests for a referendum.* An invalid request for referendum includes, but is not limited to the following:

(1) Form LS-51-1 is not signed or all required information has not been provided;

(2) Form LS-51-1 and supporting documentation returned in-person or by facsimile was not received by the last business day of the Request for Referendum period;

(3) Form LS-51-1 and supporting documentation returned by mail was not postmarked by midnight of the final day of the Request for Referendum period;

(4) Form LS-51-1 and supporting documentation returned by mail was not received in the county FSA office prior to canvassing of the ballots;

(5) Form LS-51-1 or supporting documentation is mutilated or marked in such a way that any required information on the form is illegible; or

(6) Form LS-51-1 and supporting documentation not returned to the appropriate county FSA office.
